UNCLASSIFIED

To whom it may concern,

As the registered owners of royalcommission.gov.au, the Attorney-General's Department supports the proposal from the DTA to include the royalcommission.au domain name on the reserved list.

Royal Commissions are independent of government; but the use of a .com.au, .org.au, or .net.au domain name is not appropriate.

As such, the royalcommission.au domain name should be reserved for use solely by Royal Commissions. The Attorney-General's Department provides support for Royal Commissions in maintaining their online presence.

The Attorney-General's Department should be considered as the sole owner of the royalcommission.au domain name.

Thank you,

Scott Wright
